4.1.2.

The College provides ample facilities for students to participate in sports and games at various levels including college, university, district, state, and national competitions. The college also organizes various sports and games on campus, with both outdoor and indoor facilities available for use by students during and after college hours. Outdoor facilities include basketball, cricket, volleyball, badminton, and kabbadi, while indoor facilities include table tennis, shuttle, carrom, and chess. In addition to sports, the college also hosts annual techno-cultural festivals such as "MEDHA" and "MAITRI" with active participation from other colleges. The college also has a well-equipped cafeteria with multi-cuisine options, as well as a fast food restaurant-cum-convenience store. Additionally, there is a student's corner with essential books and stationery, as well as reprographic facilities. The college also has separate common rooms for boys and girls, equipped with indoor games facilities. Physical education is emphasized for the overall development of students and there is a full-time, trained physical director and an assistant to manage the daily games and sporting events. A sports day is held annually and prizes are given out.
