➤ Green Landscaping With Trees and Plants

Our college entire campus builds with green area. Green Landscaping is done around the Administrative building and all the department buildings. Around 3000 sq.ft of lawn area is provided in front of each department. The campus is beautifully landscaped with a portion of land spread over 40,000 sq.ft in the centre with lush green. Periodic Sapling of plants and trees are done. Nearly 600 trees and 1000 plants are seen in the campus. They include plenty number of coconut trees, Neem trees, Palm, etc. More than 75 different types of trees and several herbal plants are the proof of our green campus.
