SOCIAL WELFARE (EDN) DEPARTMENT

G.O Ms.No.18

Dated:04-04-2022
Read the following:

1. G.O Ms.No.81, Social Welfare (Edn) Dept, dated:07-05-2019
2. G.O Ms.No.115, Social Welfare(Edn) Dept., dated:30-11-2019
3. G.O Ms.No.14, Higher Education (EC) Dept., dated:23-03-2020
4. G.O Ms.No.64, Social Welfare(Edn) Dept., dated:06-11-2020

ORDER:

The scheme of Post Matric Scholarships has been in vogue for many decades and it has been implemented through online mode since 2008-09 and being operated through Jnanabhumi Portal from 2017-18.

2. In the reference 2nd read above, the scheme has been reformulated as Jagananna Vidya Deevena (RTF) and Jagananna Vasathi Deevena(MTF) from 2019-20, as part of implementation of Navaratnalu schemes.

3. The objective of the Government is to ensure that all eligible students get their entitlements in a timely manner under the JVD schemes.

4. However, it has been noted that the scheme is not being implemented in a time bound manner till few years ago. The previous practice has been that a student can file the application for the scheme at any time of the academic year and the application can be processed even in the next academic year. As a result, students are put to great inconvenience, as their due benefits under the scheme are not released to them in time before they complete the course in the year of their application. There is no proper accountability on the part of the Institutions or students or the related government departments/officials in ensuring that the scheme is implemented in an effective and efficient manner to deliver the services to the students as per the quarter wise schedule prescribed for release of tuition fees and the half yearly wise schedule for release of maintenance charges.

5. There are various stakeholders in the implementation of the scheme. Their role is mentioned in brief below:

(A) **Directorate of Social Welfare** is the Nodal Authority to issue timelines, guidelines and to monitor the implementation of the scheme from beginning to end.

(B) **Universities/Affiliation Authorities:** They recognise the Institutions, provide them credentials to log in to the Jnanabhumi Portal, enter fee structure for courses, share the year end examination results.

(C) **Institutions:** They register in the portal after getting approval from Universities, file applications of eligible students in their login, process the applications properly and forward to the concerned district welfare officers, update the fee details paid by mothers after release by the government, enter hall ticket numbers for year end examinations, take bio metric attendance of students and staff.

They need to cooperate for field verification and social audit in village/ward secretariat. (H) Village/Ward Secretariats (Welfare and Education Assistants/Ward Education and Data Processing Secretaries): They have to verify the applications in navasakam login, do bio metric authentication of students, e-acknowledgment of mothers for the fees credited in their accounts, update the bank account details, display the eligible/ineligible applications during social audit, receive objections if any from ineligible students, verify and recommend them to MPDOs/Municipal Commissioners for final decision on eligibility.

(I) MPDOs/Municipal Commissioners: They have to dispose of the objections filed by ineligible students within time schedule.

(J) Coordination Officers (ASWOs, ABCWOs, ATWOSs), who are assigned few Institutions and village/ward secretariats for the purpose of coordinating between the government and those institutions for effective implementation of the scheme.

(K) Higher Education Department: To empanel the institutions in the portal and to monitor the implementation of the scheme by the Universities.

(L) HODs of all welfare Departments: To monitor the processing of the applications and the performance of the C.Os pertaining to their department

6. Until and unless all of the above stakeholders act together and promptly, the applications cannot be verified promptly within time and the amounts under JVD schemes cannot be released to the beneficiaries, quarter wise/half-yearly wise by the government.

7. It is felt that there should be clear-cut instructions specifying the timelines within which the stakeholders shall perform their assigned duties.

8. Hence, orders are hereby issued specifying the role of each stakeholder in detail along with the timeline within which it has to be performed and the consequences that will flow in case of non-compliance with the timelines, as mentioned in the table given in annexure.

9. The Director, Social Welfare is requested to ensure that awareness meetings are held for all the stakeholders at the state level, district level and sub district levels so that all of them are aware of their responsibilities along with the timelines within which they should discharge those responsibilities from the academic year 2021-22.
